

Q030

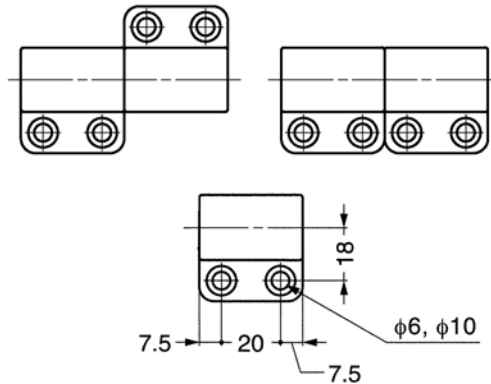

Material
PBT plastic, black.

Technical Notes
Suitable for torque dampers Q020 and Q025, to achieve an effective torque damper hinge.
Can be fitted to either a left or right handed torque damper.

Referral
For suitable Torque dampers see Q020 page 203 or Q025 page 203.
For complete torque damper hinge see Q100 page 206.

Brackets

for Q020 and Q025

Order No.	Type
Q030.AC010	Universal

New and Updated Wixroyd 3D ROM

CAD library in 3D and 2D formats:

- 3D: Step (step), Acis (sat), Parasolid v14.0 (x_t), Catia (3d igs), ProEngineer (prt), SolidWorks 2003 (sldprt)
- Integral Menu Systems: SolidWorks 2003, Inventor 5 to Inventor 7, AutoCAD 14/MDT3 to AutoCAD 2002/MDT6.
- 2D: IGES (iges), DXF (dxf), and AutoCAD 14 to 2002

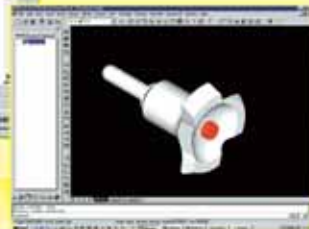

Don't miss out on the chance to make your Design job a whole lot easier, ask for your free copy of our 3D-Rom, you won't need to save the whole thing to your hard-drive wasting valuable disk space, simply pull drawings from the CD as and when you need them.

Easy to select

Simple to integrate

Please ask for a FREE copy of the Wixroyd 3D-Rom, now with solid models!
