

Hooked Cam - Flexi-System - 8 x 8 Sq. for cam latches and locks - zinc

Cam Latch Accessories

A0224

CAM LATCH ACCESSORIES

Material

Steel, zinc plated.

Allows securing to fixed point or plate within frame.

Important Notes

Suitable for flexi system latches.

Technical Notes

Hooked cam gives rotation of 360°. Suitable for push - pull type cabinet doors.

Tips

Reversing the cam gives both clockwise and anticlockwise hooking action.

Order No.	Type	Rotation radius	ts
A0224.AW0010	One	28	4
A0224.AW0020	Two	23	4
